The Premises:

Nice clean premises, if a little small. There are usually only two girls working on any given day so it is worth booking in advance if you want someone specific (my last visit I forgot to book and missed out), and they close quite early too, which is a shame.

The Lady:

Linzi is absolutely gorgeous: white, mid-brown long hair, mid-20s, several tattoos, fully shaven, and quite possibly the most perfect breasts I've ever seen, held, sucked... Sorry, got a bit carried away there!

Melissa is blonde, pretty, maybe slightly older (early 30s?) with a bit of a bush.

The Story:

The visit on the date above was actually a two-girl session with Melissa, but I've had two previous visits to see Linzi alone as well. Each time, she has dressed in her school uniform and I have told her off for all sorts of naughty slutty behaviour in class (before admitting I secretly like it and telling her to keep doing it), as well as oral, mutual masturbation and filthy fantasy chat. With Melissa in the room in her PE kit, I now had two naughty schoolgirls to play with, yum! Great experience, just wish I got to visit more often.
