### The Premises:

Parking and shower available. On a road where buses run but fairly discrete place. Clean and tidy house though the room can get a chilly because the landlord will not upgrade the windows.

### The Lady:

She is absolutely gorgeous. Her breasts are like the most perfect pleasure filled raindrops, her plus sized frame oozes with feminine allure, ass was beautifully toned and firm. She seemed to be the age advertised (24), speaks brilliant English and can hold a conversation with a lot of presence.

### The Story:

She was a brilliant fuck, absolutely shag-tastic.

Her cum had a delicious saltiness to it while I was licking her pussy and while fucking her her tight pussy wrapped firmly around my cock and gave me the most pleasant sensation.

She has the energy of a horny teen, the presence of a mysteriously veiled palm reader, and sexiness of a goddess.
