The Premises:

Her apartment located in South Kensington was clean, a decent size and easy to find.

The Lady:

Cyndall is a beautiful 20 year old Russian born woman who exactly matches her photos. None of her photos show her completely naked but I assure you when you get beyond her beautiful lingerie you won't be disappointed as she has an amazingly curvy body with big boobs and a nice perky bum.

The Story:

Cyndall was a delight from start to finish. As soon as I arrived she greeted me with a hug and a BFK. After a brief conversation she started to strip while teasing my dick from beneath my jeans. She then proceeds to OWO which was amazing. After, the sex was also incredible. We started in missionary then doggy style while I played with her big juicy boobs. She then rode me so good before finally I finished on her boobs but she did ask me where I wanted to finish so I'm pretty sure she would be game for anything. Cyndall was a delight, a super good shag and an all in all great person inside and out (if you get me).
