The Premises:

A terraced house not too far from the railway station. It is not very discreet, but it was clean inside.

The Lady:

A petite, Romanian girl with blonde highlighted hair and 32b breasts.

The Story:

A standard punt, but enjoyable all the same. I reckon Melyssa can only be about 5 feet tall, but she had a nice compact figure. The session started with uncovered oral and then progressed to covered sex in the doggy position. I concluded the session by coming over her breasts.

I saw two other girls in the house who also work there.
