### The Premises:

Quiet location in Kings Langley. Relatively easy to find. Easy to park. No entryphone system on the building, which is a bit tired, but the inside of the flat was very nice and comfortable.

### The Lady:

Candie is about 5'6" tall, slim, but not skinny, with a tattoo down one side of her midriff. Her boobs look to be about a C cup and are nice and firm with attractive pink nipples. Her face is very attractive, with a nice smile. She didn't appear to be wearing much make up and didn't need to.

### The Story:

Candie is a very nice girl who showed genuine interest in me throughout and showed intelligent curiosity, without being nosey. She could easily be a work colleague you had a crush on. She offered a good service with OWO, massage and kissing. Everything flowed naturally and I felt very comfortable and relaxed in her company. If you are looking for a genuine GFE then Candie is definitely one to add to the list. She will not disappoint and I will definitely be returning.
