The Premises:

Doorway entrance in a busy shopping street. Friendly welcome, clean tidy room with shower and fresh towels. On street parking all around

The Lady:

Super tight and toned body, 27 seems a fair estimate of her age, long blonde hair and heavily tattooed back. Photos are recent and accurate

The Story:

This should be a bad report, Ruby does not kiss other than a Gaelic peck on each cheek, she was quick to take offer her black underwear and didn't offer a GFE or was particularly interactive. Avoided the RO with some cleaver positioning!

However... amazing massage technique, some great teasing with he long nails. Fantastic oral, definitely no fingers or real touching allowed, we finished with her on top then couldn't resist turning her over for some doggy style action checking out her super fit body in the mirror as I couldn't hold on any longer.

A nice girl a bit stern faced - needs a profile updating with some honesty wouldn't see her again but you should!
