The Story:

Naughty Bellucci, formerly, Luna of La Maison in Manchester, tours all over Britain. I caught up with her in Bristol, her regular base is in Birmingham. We enjoyed sex using a chocolate rubber in several positions. I gave her RO and she definitely orgasmed, holding my cheeks tightly i she wriggled and became incredibly and deliciously wet. We 69ed, with her kiussing my balls and licking and sucking my big lustful cock OWO! I eventually came from an oily hand job and she noticed I was very much despunked!

I really enjoyed my experience with her yet again, we ran over time and she remembered me as The Irish Man in love with her ass! And yes she has a magnificent ass!
