The Premises:

Bright, spotless and perfectly comfortable house in quiet residential area (discretion needed when arriving and departing).

The Lady:

Lara has a beautiful face and body. She notes on her website that other people have said that her photos don't do her justice. I agree - good as they are, they don't show her warmth and animation, and - as with many other people - somehow don't convey the essential person. In-life Lara surpasses Picture Lara.

Lara's shape is that of a slim woman in her twenties - a slim woman with curves. Her hair is red, as shown in some of the pictures on her website. Her skin is perfectly soft.

The Story:

I booked time with Lara because I wanted to overcome my lack of experience of intimacy, and to learn basic sexual technique. She met the needs I brought to her and gave me one of the most beautiful afternoons of my life.

Lara welcomed me very warmly on my arrival, and without any fuss took great care to settle my (doubly) first-time nerves. Once we'd done the envelope thing she provided a glass of the best Chardonnay I can remember having; after I showered, we talked and touched for a while, and then everything fell into place.

Through her kindness and intelligence – both exceptional – Lara could put anyone at ease. The range of things she's interested in or has thought about is very wide. Lara takes a real interest in the lives of her visitors, and is wonderfully adept at finding common ground. She answers questions about sex straightforwardly, clearly and honestly. She's also very funny, and fun. We laughed a lot.

Lara's touch is blissfully soft, and she's delightfully responsive to touch herself - it's a pleasure to please her. Her willingness to help an inexperienced client was complete.

Lara made a potentially difficult experience easy and delicious. She's a truly remarkable person. If you need help making progress in your intimate life, as I did, I can't imagine anyone being better able to help you. If you simply want to spend time with a beautiful, intelligent, empathic, funny and sensuous woman, I don't see how anyone could offer a better experience.
