The Premises:

Most impressively furnished and equipped BDSM establishment a short walk from various tubes. Pay parking nearby. Courteous receptionist and overall most pleasant.

The Lady:

Delightful waif-like brown skinned English girl who plays the school girl to perfection.

The Story:

Whilst BDSM is not really my thing, Kianna most certainly is. And who can deny there is a certain pleasure in being addressed as Sir by a girl who genuinely seems to mean it. Most enjoyable and addictive. I had planned to return though sadly when I checked today Kianna was no longer listed by the establishment. One can only hope her craving for discipline brings her back to the fold in short order.
