### The Premises:

A none too discreet top floor flat in a busy High Street near Deptford Bridge DLR station. It was quite cramped inside and I was taken to the room by a young Chinese man which always makes me nervous.

### The Lady:

A busty Chinese lady, maybe mid 30's. She was very friendly and experienced.

### The Story:

An Ok session. It is a long time since I've been with an Oriental woman, something that once upon a time was very hard to accomplish.

The session started with us standing and me enjoying Lin's firm breasts and long teats. We then switched to the bed and Lin performed covered oral. We then had sex in the missionary position and I finished by removing the condom and coating Lin's breasts.
