The Premises:

Nice, suitable, clean, standard.

The Lady:

Tall, slim like photos. However, looked nothing like the photos. She looked more Indian looking, not spanish. Not as attractive at all, unlike photos. Only body was ok, tall and slim.

The Story:

Not great. First of all, she was clearly not the lady in the photos. Bait and switch. And she wasn't attractive. I should've left without going through with it.

It got worse. Her profile said owo, dfk and A-levels included. However, she refused the first two and made me pay an extra 50 for the last.

It was such a bad experience that for the first time I was unable to stay hard and finish. That's never happened to me before and I've seen some unattractive girls before! So 150 wasted.
