The Premises:

Close to underground station. Nice and clean all throughout the house.

The Lady:

She was an absolute stunner. As pictured from the web, has such an awesome body and wonderful youthful face. You can tell she looks after herself and smelled so good. Nice perky boobs, all i wanted to do is suck on those all night.

The Story:

She was very inviting, did not feel i was rushed, put in so much effort like she actually gives a shit to please you. Although im not into kinky stuff, just the normal, she played with my cock with all the techniques to get me off. Her body is such a turn on, like looking through the pages of a magazine, well worth the price. She smiled, and looked like she wanted to pleasure me... I just wished i could afford a longer time. And that Romanian accent... Whoa
