The Story:

Arrived on time at Laryssa's discreet basement flat, in quiet, safe area, all necessary pre and post punt visit facilities as required nearby.

This was my 2nd visit to Laryssa at this location so knew where to go but was easy to find the first time, received directions by text beforehand.

Laryssa was ready to get started, dressed up exactly as requested, looking v horny. Greeted me with a real GFE type snog in the hallway as soon as I'd entered her flat, straight into the bedroom. I was offered a shower but had already before I left for my visit, so just "freshened up" the important parts!

On return from bathroom, with my already stiffening cock, had some wine then down to business, the hour was frequented by long and passionate DFK, she is really great at this. Went through all the favourites, her giving me excellent and deep oral, returned the favour on her gorgeous pussy, 69, fucking, her mainly on top and moving in a very sexy way. Then played with her toy collection for me, in front of her big mirror, v horny to watch, finished me off with excellent oral/hand action.

I was knackered after all that, not getting any younger, so had a bit of a rest back on the bed/more wine, stroking/more snogging, didn't seem to be particularly rushed, Laryssa is a lovely girl to chat to, apart from being absolutely gorgeous and very naughty of course!

After a while, having recovered from all the activity, got myself sorted and bade my farewell/new

year's wishes etc

Will def be returning soon in NY for more fun!
