The Premises:

Visited Victoria House a few times now. Seen a couple of girls all nice. 3rd time Ive seen Charlotte. Victoria House is very clean with a number of well decorated rooms nice sauna and showers. All in all first class. No problem either parking in the private car park or ample on road parking just oppsite.

The Lady:

Charlotte is in her early thirties, long dark hair about 5 foot 7 with a nice toned figure. Pretty face and smile, very chatty and friendly. Made me welcome every time I have seen her.

The Story:

Went into the room with Charlotte who remembered me and asked what service I would like. I said a full GF experience which I had last time and enjoyed. As I only had 30 mins we both stripped off and didnt bother with any of the usual massage etc but went straight into the full GF.

Charlotte kissed me long and hard and started rubbing my arse cheeks I did the same to her. She then asked if I wanted some oral first either with or without. I went for the with which I always do. On went the rubber followed by some excellent slow licking and sucking. Charllotte then slid up me and then slid back down onto my now rock hard cock. She seemed to enjoy riding me and asked me to fuck her harder and harder until she moaned a little then came. Over on her back then with her legs high, she asked me to spunk in her. I got back on top and pumped for all I was worth faster and faster with Charlotte begging me to come which I did after a couple of more minutes with her tongue licking all around mine.

Clean up, bit more chat then on my way. Great experience again. Thanks Charlotte.
