The Story:

Booked that morning with her at 12

Thought I'd treat myself after a hard few weeks of planning Christmas and everything

Arrived 15 minutes early there was a few punters waiting in the reception area they did not book luckily I did

Meg was free showed me to the room all the time I admired her assets

Quick shower

She came into the room asked if I wanted a massage I declined her tempting offer got straight into dfk my absolute favourite

Owo wet sloppy blowjob she also wanked me off which normally doesn't do much for me but she was exceptionally good almost made me cum

I love a good blowjob I don't know what it is but just something about woman's lips around your manhood turns

We agreed that I was going to cum twice and the first time in her pretty mouth

We moved to 69 and her moans and gaging sounds just pushed me over the edge gave her a heads up and blow my load in her mouth

We chatted alittle I think about 2 minutes while I fondled her breast and I was ready to go again

more sucking

Then on with the condom fucked her sweet pussy doggy mish cowgirl and then when I was ready to cum I got her on her knees stood over her and she wanked me off until I came on tits

A sight to behold

She's a must see girl
