The Premises:

GFE Bury, is a great venue with modern decor, very clean and comfortable, pleasant rooms. Parking can be a little tricky, but lots of side streets. Leave enough time if you are driving. Clean well maintained showers.

The Lady:

Savannah is a very attractive young lady with quite long blonde hair, who wears sexy lingerie and high heels.

Some interesting tattoos on her arm and leg. Lovely figure and everything is completely natural, she is simply stunning imo.

The Story:

I have seen Savannah on many occasions and she has never failed to give me a great time and value for money. This was my first visit to see her at GFE and we were lucky enough to be in the new large room with its abundance of space.

Sav always kisses me as if she means it and I simply feel as though I am wrapped up in a true GFE for the short space of time that we have together. She does this so well and gives me exactly what I require.

I love RO and she is willing to oblige and is always nice and clean and fresh, so I sometimes get a bit carried away. Then onto doggy, such a beautiful sight and she is perfectly tight so I can feel every movement and thrust. I am a little on the large size, but Savannah never has an issue, we just use plenty of lube.

Mish is great, because she is a real beauty and makes such nice sounds, particularly if she arrives at a good place, if you catch my drift. Man, when she is riding me, its just great and so much fun, she never seems to get tired and I get lost in the intense pleasure I am feeling.

As you can probably gather, I am no longer in my flush of youth, so taking things steady and building up to my final arrival of pleasure always happens at just the right time.

I think her beautiful looks and fun attitude seem to trigger my basic urges in just the right way, never

had a poor service from Savannah ever.

She is a star performer and always makes me leave feeling 10 years younger. Thanks Sav, can't wait to see you again babe.
