### The Premises:

GFE is on a pretty quiet street on the outskirts of Bury, plenty of nearby parking.

Chilled, relaxed, welcoming atmosphere.

Good rooms & great showers.

Free drinks in reception.

I never feel rushed at GFE, reminds me of La Maison around the corner in that respect.

### The Lady:

Good looking Brunette with a fantastic, natural smile, a really sexy size 12 curvy body & a great, friendly, happy personality.

Clean & fresh.

Easy to chat to, interesting & open.

She gives a really top service, one of the best punts I've ever had.

She's also one of the best kissers I've ever been with.

### The Story:

I wanted to book Maria because of all the fantastic reviews she's got from the various places she's worked, I finally got around to seeing her & I wasn't disappointed.

She had a lovely smile on her face & was welcoming & friendly right away.

She looked really sexy in black stockings & pink/purple underwear, she has a great curvy body with a fantastic round, full arse.

A beauty of a booty.

After a nice, hot shower I'd dried off when she came back into the room, still smiling, & after some introductory small talk we fell into some fantastic DFK, full on snogging that continued throughout the punt.

We both love to kiss.

She played with my growing cock as we snogged, one of my fave things.

We were stood in front of the full length mirror & she used that to look at us both as she dropped to her knees to suck my cock for the owo BJ.

Great view!

When she knew I loved to have my balls licked she smiled & told me to get on the bed so she could do it proper.

Okay!

I admired her big, heart shaped arse that was high up in the air as she sucked & licked me, she smiled when I complimented her on it & moved around so I could fondle it & spank it.

I then pulled her onto me for some 69 action, moving her knickers to the side so I could lick her, after that I was rock hard so on went the rubber (with her mouth) & we started with cowgirl.

She stood on her feet & rode me then got on her knees & rode me that way, DFK all the while. Heaven.

She then briefly climbed off & turned around for reverse cowgirl so I could "watch it going in & out". I love that position.

I played with the gorgeous flesh on her booty & gave it a playful spank, she liked that & asked me to do it again.

She rode me until she was breathing quite heavy.

She isn't a WG who's lazy & doesn't wanna do any work.

I asked her to lie down so I could eat her pussy, shaved & clean, she told me how she liked it & she made some nice appreciative sounds, I came back up to suck her nice D cup boobs then she slipped me back inside her as we snogged the face of each other.

I fucked her quite hard in Mish for a few minutes with her stocking clad legs in various positions before we went back to her sucking my cock & I fingered her wet pussy.

Finished with us kissing DFK as I wanked then I came on her lovely tits, rubbing my spent cock between her soft boobs.

Perfect!

She showered as I dressed & we had a really good, no rush chat afterwards.

I absolutely wanna see her again.

One of the best WGs in Manchester.
