The Story:

had a text from pat to say louise my regular had called in sick and would I like Tanya instead I said no problems and i'm glad I did Tanya's photo on the website does not do her justice when I walked in I found two stunning brunettes in lingerie ready to go.

after my shower I laid down on the bed Tanya bean stroking my thighs while Lydia leaned in for a kiss then worked her way down to my cock as she began to suck me off Tanya to kiss me and boy she knows how to kiss a few minutes in the girls had a deep kiss and swapped places and I got to enjoy Tanya's awesome oral skills as I continued the dfk with Lydia before exposing her tits and began to kiss and suck them ,as I came Tanya kept her mouth attached to my cock until she drained me dry.

I told the girls I normally need about half hour to recharge they didn't worry about that and carried on switching places one kissing and caressing me while the other one sucked my cock by the time I was ready to cum again Tanya's nipples were like bullets from the kissing and sucking they received.

these two girls work really well together and are a highly recommended dou
