The Premises:

Bit of an odd one, if i didn't know the area it could appear a little scabby, but its in a nice safe area so all good. easy parking. Place was all nice and clean, but maybe they should provide hard hats for taller customers!! ;)

The Lady:

Absolutely amazing, id seen her pics on MK Escorts website, and twitter - jesus wept, this girl is somehow even hotter in the flesh! Everything was perfect, gorgeous face, slim bum and tum, and of course dem boobs!!

The Story:

Short story - just book her, book her now and dont look back.

Longer story, its been 3 years since i last visited such a establishment, so was a little apprehensive and it showed. I couldn't have chosen a nicer girl, very very attentive and easy to get on with.

As requested she started with a nice lap dance, great french kissing and things progressed nicely to a beautiful BJ, moved onto the bed and carried it on - my god she made me explode, and she just kept sucking and sucking -- shiiiiit it was good. This girl has such a great attitude, i pretty much laid there like a lump and she did all the work, but she was so gracious about everything and makes you feel very special.

A bit of chat, massage etc and on to round 2. Tried a few positions, rather disappointingly the wee fella was having some trouble but my goodness - she would not give up, major credit to her, i was almost feeling sorry for her as she kept working away, through nothing but her sheer determination - she worked her magic again - BOOM another load, holy cow this girl is something else!

Even walked me back down the stairs and kissed and hugged goodbye.

Jai - thankyou very much, made my day, week, damn year!! XXX
