The Premises:

An old house tucked away but clean and easy to get to. Parking near by.

The Lady:

Slim and short. Small tits, flat tummy, great thighs. An American 'girl next door' face and hair. Plenty of smiles and a coy approach to business. Couldn't be much better!

The Story:

It was a cold day and we had a slow start with cold hands not being welcome on some parts of the body! A little oral and some wanking and then we covered up for the main course. Cow girl to start - and she was good - too good as I could feel that the end was not too far away - probably too much wanking to start with. Anyway a few strokes doggy before a climatic missionary shot. We chatted whilst we tidied up and I was sorry to leave. If she's still around in the Spring I'll give her another shot!
