### The Premises:

based in tinsley sheffield near meadowhall. easy parking outside. looks rough on outside [huge steel entrance door] but clean and tidy on inside. Mainly thai girls [one brazilian on when i was there]. rooms clean with showers and double beds. friendly lounge with offer of drink and if your lucky some thai food [red hot so beware].

### The Lady:

apple is typical thai girl namely small and slim but with typical cheeky thai smile and decent boobs. hard to judge age as most thai girls look younger than they are.

### The Story:

apple is a very pleasant girl speaks good english and offers excellent gfe inc french kissing. very good owo quite deep as well and protected sex in various positions which most thai girls excel at imo. whilst i have seen other girls here[ and some do require extra for some services] she is my favourite. Lovely girl
