The Premises:

Clean and cosy flat, Take the lift- there are lots of stairs

The Lady:

older than pics suggest, but really a Hot PSE MILF. Very petite.

The Story:

Very good, I think she was more up for it than I was!

Fantastic false Rack (very soft and squeezable tits) and what looks like Ass enhancement as well.

Greeted me dressed like a porn star, she stripped off, covered herself with oil and alternated between rubbing her huge tits on my Cock and deep throat action.

after lots of mutual teasing and games I covered up and Gave her a good rough fucking from behind until she begged for mercy.

she gives 150%, think extreme MILF action. Wanked me off in her face, seemed genuinely upset that I didn't cum in her Mouth.

No rush- and clean towels with shower at beginning and end.

I'll be back.
