The Story:

Arrived a few minutes early and was shown to a room where I only had to wait a few minutes before Ella in all her glory walked in wearing a corset style body suit and a massive smile . Spent some time kissing and cuddling before we both ended up naked on the bed in front of the mirror . I won't go into any more detail than that other than to say it's a picture in my mind I'll never forget and that it was a memorable hour spent with a girl that is so out of this world , Ella is a diamond girl that seems to really enjoy what she does and omg she does everything so well

If you are looking for a great time and want to feel special then Ella is a definite in my eyes , thnx for a great hour Ella and we both got the end result we wanted , look forward to seeing you again soon
