### The Premises:

The location is very easy to find, just a short walk from the tube station. A very quiet street with not much going on which is good. Overall a nice property with a very clean shower room.

### The Lady:

Emma is medium height, quite slim, in her late 20s. She matches her photos quite well.

### The Story:

I rang Emma just before arrival and was greeted at the front door and invited inside. I was immediately offered a drink and proceeded to discuss my visit. I discussed my role play scenario and requested an outfit for Emma to wear and after completing her fee Emma left the room for a short while and returned in the role I requested. Emma looked fantastic, better than I hoped for. Emma really knows how to put you at ease and makes sure you really enjoy your time with her. There was no rush at the end or clockwatching, she wanted to make sure you enjoyed your time with her. I have been to other escorts in the past but will be returning to visit Emma very soon, well worth travelling down for.
