The Lady:

Suki is a pretty 23 year old Taiwanese girl. She is around 1.5m tall with long black hair, which she often ties back whilst working. She is a size 8 with lovely pert breasts, firm bottom and shaved pussy. Her English is not brilliant but you can hold a basic conversation with her and she tries her best to understand and communicate.

The Story:

Arriving I was met at the door by Suki who was wearing a dark blue slip and high healed shoes. Into the bedroom and after handing over the funds we both stripped off and on to the bed for a massage. Suki gave an excellent massage working her way down from my neck to my feet. Certainly one of the best I've had. Then the fun really began. Suki began exquisitely running her fingernails and fingertips over my lower back, arse and between my legs, caressing my balls and reaching down to my fast growing cock. My body began arching in response to Suki's touch and as I moved it gave her more access to my hard cock. At Suki's request I turned over and she continued her fingertip work directly around my cock and balls. Sensing I was ready for action Suki started giving me a great covered blowjob, taking the full length of my cock in her sweet throat. Next some French kissing as we changed position and I went down on her lovely young, tight pussy. I love giving oral and Suki loved receiving the attentions of my tongue and teeth as I delved into her sweet tasting hole and nibbled her cliterous. Suki was soon moaning and arching her back, giving me access to her arsehole, which I began to rim whilst flicking het clit with a wet finger. She was so sweet tasting I could have stayed licking, sucking and nibbling her for hours. Suki however could take no more and begged me to fuck her. Into mish and with her legs wrapped round my back I got into a good rhythm and fucked her hard and deep. On cumming I stayed inside her and we kissed before I pulled out. Suki then was very attentive in cleaning me up. Getting dressed I said I'd see her again and she said she also worked in Luton (Suki appears to do 2 weeks in St Albans followed by a week in Luton before returning).

All in all, Suki is a wonderful girl. I hope she will be around St Albans for some time as I've been looking for a regular girl for a number of years since Lisa left. Fingers crossed, Suki is that girl. £100 is a bargain for such a great girl. If you see her, please treat her well, she's lovely.
