The Premises:

A modern flat just off of Brick Lane. It had a discreet intercom entry.

The Lady:

A very pretty, petite Romanian girl with very large (enhanced) breasts. I don't like boob jobs although they'd look better if the girls didn't opt for too large a size. They just didn't look in proportion to her petite body.

The Story:

Enjoyable, albeit rather routine. The session began with covered oral and progressed to sex in doggy and missionary positions. I wasn't rushed and my climax was very satisfying.
