GFE is a spacious and well maintained place. Reception are always helpful and friendly.

The Lady:

It is often said on here that the photos do not reflect how good looking the girl is. This is very true of Sienna. Tall in her heels I would say 5' 5" without. Slim. Light olive complexion. Dark hair with small breasts but not too small. Very fit toned body. Age early-mid 20s.

The Story:

The GFE experience started when she came in the room. She was bright and cheerful (hang on i hear you say - thats not a girl friend! lol) but it hit the right note. Taking over her underwear she lay on the bed and engaged in the best DFK I enjoyed in a very long time. Her hands were not idle and tried to bring life to the sleeping intended star of the show.

RO was asked for and freely given in 69. She was very clean and tasted fantastic. I had an extended visit down there.

Time came for me to perform but it was a bad day as I lost control and Houston scrubbed the mission. She a handjob with more kissing and hands exploring her young nubile body did the trick.

Came away thinking not mostly about the sexual side but the GFE side which was first class.
