The Premises:

Rather dilapidated flat in an OK neighbourhood with very good parking.

The Lady:

Kiki is about 5'4", maybe Chinese, slim with large firm breasts. Decidedly attractive.

The Story:

Started with a back massage, which was OK and not over protracted. After turning over she asked me if I wanted Oral with or without (I opted for W/O at an extra £10) then massaged my front with her breasts, before starting to lick me all over gradually moving in on my cock. Excellent blowjob followed including lots of ball tickling. Then sex in missionary and then doggy and finished off with an excellent handjob.

Her manual and oral skills are outstanding.
