The Lady:

Like the pictures on the website. Tall and sexy. Wonderful perky nipples which she likes to be licked, rather than sucked.

The Story:

Ashley is very polite and attentive. She asked me what I wanted to do next throughout and did everything very well. I prefer a bit more sexual talk rather than smalltalk at the start though, if i'm honest, just to set the mood. We started with OWO which she was happy to continue for some time. She had a nice technique using her tongue around the head so I asked her to focus on that. After a while I wanted to fuck her so we went to doggy then mish. She has a very sexy arse and lovely long legs so in these positions in was able to enjoy all of that and kiss her soft skin. I would have liked to have covered her in cum but she doesn't do COB (which I can understand!) so instead we went back to some hard fucking in doggy which eventually made me unload strongly. Ashley is lovely and sexy and willing to oblige - highly recommended.
