The Premises:

Semi detached house in the middle of an estate off All Saints Way. On street parking. Sophia requests that you park away from the house and walk up.

The Lady:

Slim, sexy, dark and sultry. Sophia has that ability, not possessed by many to look beautiful and sexy in any clothing, or lack of. She has breasts that need no support, a shapely figure and legs that go on and on.

The Story:

I have visited Sophia several times and never been disappointed.

If Junction 1 of the M5 is clear getting to Sophia's is easy as is the parking.

I received my usual welcoming hug and followed that pert bottom up the stairs. I was offered a shower but I always shower before travelling.

The bedroom was warm and welcoming enhanced by several candles. We got the formalities out of the way and fell to mutual caressing and kissing. After undressing we did some 69 but I gave up as she used her special oral techniques. Putting the protection on we went for doggie as I am so tall and once again felt that tight grip around me as I entered her. Afterwards I took a shower and enjoyed a mug of tea. Sophia is really easy to talk to and has a wicked sense of humour with a sexy laugh.

Anyone looking for an enjoyed hour with a beautiful lady needs to visit Sophia as they will not be disappointed. She is a top class escort who has all the skills to make a visit a memorable experience.
