The Story:

My first time with Honey ,she was the only girl working on Sunday at this establishment so it was a bit of a leap into the unknown for me . After seeing her downstairs we met again in the room and discussed my needs .I started off with a kiss and cuddle with oral without and sex which was £60 but while we were having a fondle she mentioned that she also took spanking . This is a real turn on for me so we settled on spanking with hand and my belt in a role play scenario of employer /employee for £40 extra . We got down to business with me giving her a good spanking by hand followed by 20 strokes with the belt getting progressively harder at her encouragement and then fingering from me lots of oral without followed by covered sex and finally her walking me off over her tits all in all a most enjoyable 30mins. If you are into giving a girl a good spanking this lady is worth the money .
