The Premises:

I saw Maya in a flat a few minutes walk from West Kensington station. I think she's only at that location for a short while so the location may well vary a bit. The place itself was fine for the purpose, small shower with gels etc and clean towels. Large bed and sofa areas to play in and it all seemed clean.

The Lady:

Maya is as shown in her pictures. She's small and perfectly formed and very sexy. What you can't see from the pictures is that she is bright, fun and very naughty. Over a longer booking she is as much fun to talk to and she is to play with, and she likes to play!

The Story:

Maya sent me a text when I was already on the way telling me she'd be a bit late, this was the only bad bit of the experience. In practise I think she was about 10 minutes late ... these things happen, no need to stress. Once she met me at the door in some lovely and revealing lingerie she was bright, fun and very sexy. She's pretty with lovely eyes and her body is small and soft with perfect sized breasts. Maya has wonderful oral skills, and does DT with enthusiasm. She's keen to give pleasure and did everything I wanted. We had a fairly vanilla session, but I have no doubt she'll cater to more exotic tastes and I may well broaden my horizons when I next visit. Apart from the gymnastics she offered wine and good conversation. She's small and despite being very active she's a bit tight so be prepared to start slow, be gentle, having said that she seemed to be trying to see just how energetic this old man could be ... hint she outlasted me. If you like pretty slim, adventurous ladies who are out to ensure you both have a great time, then I'd say go see her, if not check your pulse!
