### The Premises:

Usual place behind Staples. Very nice room with some well placed mirrors.

### The Lady:

Danielle is wonderful. It's lucky that I was sat down when she entered the room. Every bit as gorgeous as her pictures on the website and her twitter account. Extremely pretty and just 20 years old with a fantastic gym body, perky, soft, medium sized natural boobs and an ass you would follow all day. She was wearing an insanely sexy fishnet body stocking which allowed easy access to her silky smooth body. Very friendly and attentive and really put in a shift. More on that in a minute.

Roxanna is 18 fellas. She has the look of an innocent school girl but it did not take long to work out that she is anything but innocent. She is quite short and very pretty with the tightest, tiniest body you are ever likely to see. She was wearing a flimsy see-through top and knickers which were easily moved out of the way to get to her perfect, smallish, firm boobs. This was her first day and her English isn't great so it could have gone either way. It went well. Very well. More on that in a minute too.

### The Story:

I called in the afternoon to see about booking a duo with Danielle and Serena. Serena (who I have seen before and highly recommend) was not available at the right time so the maid offered some alternatives including Roxanna. It was her first day and she did not have 2 girl listed on her profile. Had I know she offered this, she would have been my first choice to see with Danielle. Booking confirmed.

Arrived on time and was greeted by the lovely maid, shown to the room and waited anxiously for a couple of minutes until the girls arrived. I have had a few minor issues with seeing girls near the end of the day when they've been working flat out since 10am but this was a bit different. Now, I've been doing this on and off for years but what was to follow was by far the most incredible experience I have ever had.

I asked the girls to sit either side of me and was alternating FK between them both until Roxanna

suggested some trio FK. This was a first for me (and for her I think) and it was every bit as good as I could have imagined. My hands explored every inch of their perfect bodies as they enthusiastically took turns sucking me off and sitting on my face. Danielle kept pushing her pussy onto my hand and forcing my fingers into her soaking wet pussy. Bliss!

On with the cover and Danielle treated me to some reverse cowgirl. A beautiful sight to behold and one I will be thinking about for a long time. She really does go for it and responded brilliantly when I suddenly went up a couple of gears. Roxanna was keeping busy pushing her tongue into my mouth and pushing her perky tits in my face. Pure ecstasy!

Roxanna next on all fours and again, the sight of her tiny ass and 18 year old pussy pushing back on me will stay in the memory for a long time. I was pounding her from behind while Danielle was kissing us both and instructing me to squeeze her boobs. Just incredible!

One last switch over and it was Danielle's turn to take it from behind which she did brilliantly. Great rhythm and she really knows how to work that ass. Roxanna was laid half under her kissing Danielle and rubbing herself off. Crikey!

Time was running out and Danielle finished me off in her mouth while Roxanna stuck her tongue down my throat some more and helped Danielle by working my balls. My full load emptied into Danielle's mouth and I was ruined. They both asked if I'd enjoyed myself and told me that they had. High fives and giggles all round.

This really was the best punting experience I have ever had and can't imagine it ever being beat. Two perfect girls who spent every moment doing everything possible to make sure I was enjoying myself. One would be working on my cock while the other pushed her tongue, boobs or pussy in my face! The only negative was that I only had half an hour. I could have stayed all night. It's a good job I don't live in MK as I would soon be poor.

If these two were porn stars, they would be my favourites and I got to smash them both. At the same fucking time!!!
