The Premises:

Meeting took place in Clara's flat on a quiet street, close to the tube station. It was very easy to find, although parking is tricky as there is limited free parking in the area. Clara's boudoir is quite luxurious compared to some other places I've visited, beautifully decorated and well looked after.

The Lady:

Clara is way prettier than you can make out from the photos on her website, she told me she exercises and looks after herself and this clearly shows. She has a great figure, with gorgeous legs, smooth skin, a flat tummy, and lovely, pert boobs and nipples. She was wearing a skimpy top and underwear, although she did ask prior to our meet what I wanted her to wear.

The Story:

After a brief kiss and cuddle in the hallway, Clara took me to her naughty room and we talked a bit about what I'd like. We kissed more passionately, and she started to caress my body and stroke my bulge through my jeans. I turned her around to squeeze and caress her from behind and kiss her neck and ears, which we both really enjoyed. She soon got me naked and gave me some oral before I returned the favour with oral on her, which I really enjoyed - she has a sweet shaved pussy which was a delight to lick. After a few minutes I could tell that she was really enjoying herself and so we moved around so that we could 69. All the time we were kissing, caressing and squeezing one another and it felt incredibly horny and sensual.

She then straddled me and rode me for a few minutes (my favourite position, allowing me to kiss her whilst pushing into her and looking into her eyes). After a couple of minutes, we both came and collapsed in a thoroughly satisfied heap!!

We chatted for a while and got to know each other some more, and it really felt like the start of a great friendship. I took a shower (great bathroom) and we said our goodbyes.

Clara is a lovely, genuine girl who clearly enjoys what she does and made me feel fantastic. I certainly intend to visit her again and I hope she'll look forward to seeing me to.

I had an amazing time Clara, see you again soon xxxx
