### The Premises:

Well known, fine facilities and a drop-dead gorgeous receptionist.

### The Lady:

Sunni is an attractive Anglo-Indian with a curvy figure. She has a very friendly personality that ensures the meet is relaxed, chatty and sexy.

Her pictures on the parlour site are accurate without conveying her lively personality.

### The Story:

Sunni was relaxed and chatty from the off and so we were bound to get along well. I asked to massage her to start the session and we complimented one another, she on my smooth hands and me on her ripe handfuls of buttocks and breasts. Sunni was also vocal in the noises she made in response to my extended oral attention to her lovely nipples.

We gradually moved our bodies towards more intimate touching and stimulation before an extended sex session that both of us enjoyed hugely.

Another lovely and satisfying time at Massage Northampton.
