The Premises:

Easy to find, clean and fit for purpose.

The Lady:

Short and very busty with 32G boobs!!! White, blonde and closely matches her photos. A real pornstar look.

The Story:

Porny is a busty blonde with incredible 32G boobs. She has a real pornstar look which is probably why she is called 'Porny' lol. I booked Porny on a incall and the apartment was clean and fit for purpose. As soon as I arrived at the apartment she literally went straight to work grabbing my cock for beneath my jeans and dragging me towards the bed before stripping off and then proceeding to OWO. The main thing about Porny is her ginormous boobs which were super fun to touch when fucking her from different position, my personal favourite being from the cowgirl position where I could see her boobs bouncing up and down while she rode me good. Porny was a great shag and probably worth the money but I did miss any sort of emotional connection which I have felt with other escorts. Overall she is fit for purpose and I would recommend her to all you boob lovers out there.
