The Story:

Just noticed it is nearly a year to the day that I first met Nina and after a great experience I promised her I would return so when I seen her back in London a quick text and I was at her flat within 2 hours. She was dressed beautifully and you can see that she puts an effort in to her appearance which I like to see an Escort doing. The room was warm and spotless and shower available of before we hit the big bed. she is best kisser I have ever been with as she has the softest lips I have ever had the joy of kissing. All her favs are available and nothing is too much trouble to her. I have no problem recommending this lady.
