The Story:

I enjoyed my visit partly due to the very comfortable surroundings and mostly due to Cleo herself. She was in a dressing gown when she opened the door and she was very tall in her black high heels. I took advantage of the room by having a shower. When I returned to the room Cleo took off her dressing gown to reveal her lovely firm breasts with pink nipples and pert bottom covered by a skimpy black thong.

The massage was very relaxing. She had warmed up some oil and she began my massaging my legs and then my back and shoulders. This was followed by body to body which was ok, but something I've never been big on. When I turned over the massage continued and I had every opportunity to enjoy fondling and sucking her breasts. I also enjoyed squeezing her bum. She then gave me a nice slow hand job and I was soon spurning.

I returned to the bathroom for another shower and then got dressed and kissed Cleo goodbye. There was very little conversation between us, but the session was excellent.
