The Story:

A lady who helps you relax with such style and her sensual silky hands soon had me moaning with delight. She has a lovely body which aroused me. She knew how to give me such a wonderful experience. She is sensational as she dominates not only with her beauty but her intelligent mind which had me on my knees worshipping her adorable feet and awesome ass. She knew that I was her slave who served. Any disobedience was dealt with a firm but sensual touch.

I was so privileged when she allowed me to cum because I exploded like a volcano because I had served her in a manner which felt that I deserved to be rewarded. I am addicted to the awesome ass of this superb domina
