The Lady:

Early to mid - twenties, around 5ft 6, long brown hair. Fantastic body with pierced navel. Very good looking to boot!

The Story:

Started of with massage - very pleasant and chatty, then turned me over and got to work on the wee man with her hands. When hard she asked if I'd like oral, surprisingly I said yes!, then she slipped on a condom and started sucking away - very good indeed. She was willing to do this for as long as I wanted, warning me that she'd had a few complaints for bringing off punters with her mouth before they thought they were ready! This speaks volumes for her technique because I quite believed it!

Sex was available in any position - chose her on top and she shagged me senseless - fantastic!
