Usual place in Fenny Stratford. Clean and welcoming as always.

The Lady:

Only one way to describe her - stunning. You notice her lovely smile first, but very quickly realise that every inch of her is gorgeous. And she's warm and friendly too - just perfect!

The Story:

A truly sensational and sensual hour. Nice massage of legs, back etc to start, but then it turned more intimate. Body to body was lovely and sexy and built the anticipation of what was to come. After the magic "turn over" I got the first full view of Melissa in complete naked glory. That body could harden anything - although after the preceding pleasures I had nothing left to harden! And the pleasures simply continued and got better and better.

No more details - just check the schedule at Ego and get along to see Melissa - you will definitely be glad you did. I simply can't stop smiling and am going back ASAP.
