The Premises:

Chelsea Cloisters. Gigantic Art Deco studio apartment-hotel populated by a bizarrely contrasting cast of Japanese tourists and Romanian working girls.

The Lady:

Photographs a tad flattering but genuine. Eastern European Blonde, reasonable figure, mid 20s.

The Story:

Not quite the young blonde beauty in the pics though decently attractive. Very professional manner and clearly not a newcomer to this game. Tolerated rather than enjoyed my feeble thrusts, though one can hardly blame her for that. A slight annoyance was the absence of certain advertised services. Most notably, no FK. Overall an acceptable punt but nothing more than that. Goes by a variety of names on various websites.
