The Premises:

GFE Bury is easy to find and parking nearby is not an issue. Reception are always friendly and the rooms are usually big and tidy.

The Lady:

5'2" with a pretty face and incredible boobs that are just right on her petite frame. A bum you can never tire of and a small juicy pussy that invites attention.

The Story:

Went for the GFE rather than basic service and wow was I rewarded. Robyn is the definition of a Minx. I think "Vanilla Sex" would be wasted with her so have an adventure. She has excellent oral skills and you will enjoy her boobs more than I can adequately describe here. She is happy for you to take the lead but will take the reins if need be. What she can do with her fingers has to be experienced. Her pussy is clean and small and she stated a lot of men do not lick her out! Make sure that gets put right in future guys.

Popped my cork in 69 with a coating of er tits being insisted upon by her. She also got some unexpected "conditioner" in her hair!. Spoke with her for a while and this confirmed she is an engaging and bubbly woman.

You will go back for more!
