The Story:

At time of writing Vicky has no reviews as she is very new to HOD. I usually like to see at least one review before I see a girl but decided to take a chance as she seemed to be ideal for me, and she was! In deference to her concern about Punternet I will not give any details that could identify her. Except to say that I had a great time, besides a lovely body she also has a good sense of humour and I was totally at ease with her within minutes. The 30 minutes flew by and I was so taken with her that I nearly left without paying, it had gone completely out of my head! Will definitely see her again and thoroughly recommend her.
