The Lady:

The profile photos on HoD's website and Twitter say more than words can. Her breasts are imho her best feature.

The Story:

Pixie recognised me from our last and only meeting nearly 3 years ago. Back then I posted a highly enthusiastic review on PNet which is still up. I were to discover that nothing had changed in the meantime enjoying plenty of dfk, frottage, fj and intercourse in missionary so that I could continue with the dfk. The conclusion was owo with cim. With her ardent performance she is without any doubt in my mind still up there in the Premier League of incall providers.
