The Story:

Alyona is a beautiful Russian born woman who surprised me to one of my greatest experiences I have had with an escort. Looking at her photos she looks nothing out of the ordinary, I mean none of her photos show her completely naked but I assure you when you get beyond her beautiful lingerie you won't be disappointed. Her Russian accent was extremely sexy and really appeals to me. At first she seems shy but she is far from it as she gave me the real pornstar experience from massages to OWO to toys to all the sexually positions you can think of and ended with CIM. Alyona was a delight, a real sophisticated woman who I would love to have on my arm everyday (sob sob) and an amazing shag. I would recommend her to anyone passing in the Kensington area.
