The Premises:

Jaida was located at the Travelodge about a 10 minute walk from Sidcup rail station.

The Lady:

An attractive Indian girl about a dress size 10 with natural 34C breasts.

The Story:

It has been some time since I punted with an Indian girl. This was an enjoyable, business like session. It started with covered oral and progressed to sex in the doggy position. It took quite a bit of effort from me to reach a climax. I think Jaida travels around the country and works from hotels.
