Two ladies on offer:

Both Polish, with very poor English

The Story:

I should have made a runner as soon as I saw them, because conversation was almost impossible. However, I decided to give them a try and opted for the cheaper option of £50 for half an hour, as I really was not convinced these two were professionals.

Picked the younger one. This was without a doubt the worst punt ever! Everything was out of limits, except sucking her nipples. She started with a BBJ which was so awful I could hardly get stiff. I got fed up, wanked myself hard put on a condom and took her doggy style. Finished as quickly as I could and left. No attempt at conversation. Truly awful.

Got home and stuck my clothes in the washing machine to get rid of the stale fag smell.

Avoid!
