### The Premises:

### The Lady:

Charlotte is without compare. She is stunning. Tall and blonde, with a perfect figure, flawless complexion and friendly smile. I have met with her on several occasions, and she is always well turned out with a stylish outfit, and just a small amount of tasteful make up. Her poise and posture exude high class, while her features, which are blurred out in her photos, are the type I can just stare at and never get bored. As if her sexy femininity isn't enough, she also has the most incredible eyes,.... more on that later!

### The Story:

Magic, pure and simple. Charlotte just makes you want to smile along with her. As soon as she arrived, her personality warmed the room, and melted any nervous jitters I still had. She defines the girl-next-door, and is incredibly tuned in to her partner's emotions. Friendly conversation simply flowed into the most delicious foreplay ever. She is so soft, sensuous and tender, I could have been happy (almost) with a couple hours of just her passionate kissing. Like a couple of teenagers, our hands began to roam on each other's body, and I took great delight in the many curves under her dress and the lines traced by her sexy lingerie.

On her website, Charlotte claims how much she enjoys her job (part-time as it is), and no kidding! Once you experience her, you'll understand what I mean. Her appetite seems to have no end and her orgasms are powerful and frequent. I couldn't really say how many there were, but they seemed endless, and all uninhibited and genuine. I found this an incredible turn-on and stayed rock-hard for the entire time.

Playful undressing led to the horizontal phase of our session. As pretty as her lingerie makes her long slender body look, she is even more beautiful without it. Plenty of oral action, best ever, blended with various positions. She will clearly show you what she enjoys, and similarly obliges with whatever you like best, she's very intuitive. She does like doggy, a lot, and can cowgirl with incredible stamina. She is every bit as fit as she claims.

We rounded out the our rampant lovemaking with the most beautiful phase of missionary. I say

beautiful because it gave me such a long and intense opportunity to drink in her pretty face. Her perfect azure eyes are unlike any you have ever seen and the combination of sinking into their hypnotic gaze, all the while passionately driving each other to the brink, was the most satisfying conclusion I could ever hope for.

After relaxing a bit and cleaning up, Charlotte's personality once again shone through the visit and she left me with the most warm, sincere glow of our time together. Pleasant dreams for weeks!
