As seen on the profile picture. She's gorgeous and very talkative. Nice curvy body and good size of assests.

The Story:

Welcomed by a maid and she took me to a room and she advised me to make myself comfortable whilst she gets my lady informed that I'm here.

Moment of truth ever since Sophia stepped into that room I couldn't stopped myself looking at her beautiful curvy body. First thing first little bit of introducing and she gave me a kiss on my cheek, then we've got the paperwork sorted. She started giving me an unforgettable OWO whilst I was taking her clothes off completely (that's how I wanted). We then moved on to 69 for good 8-10. I couldn't wait any longer to put my banana into the right place. Not going to lie she is really good at her job she knows what she's doing. We had sex in different position but I was the one who's thinking about the time as it was my first time at Annabellas and had no idea what happens when your time runs out.

So as I was speeding up I knew I am at my finish line and I asked if It's can be done outside. She took of the protection and jerking me off until I came on her boobs. I laid back while she was cleaning the mess that I've made.

100% genuine and she is a very lovely woman.

I can't wait to see her again, she has definitely made my night. Thanks to Annabellas for having such a beautiful woman like Sophia.
